

# BATTERY POWERED HSDC DIGITAL HANGING SCALE

**NO MORE  
RECHARGING,  
EASILY REPLACED  
BATTERIES**

*Rugged, but lightweight construction makes it easy to move from place to place. Just hang it up, place the item to be weighed on the hook or in the optional produce pan, and with electronic speed and accuracy, weight is displayed on a large 1" tall LCD digital readout. Easily read at a distance, even in direct sunlight.*

- **Electronic Digital Readout** - 1" tall high contrast LCD display with low battery and over capacity display.
- **Battery Powered** - Operates on "C" size alkaline batteries - no lost time during recharging!
- **Optional Stainless Steel Produce Pan** - Makes it ideal for supermarkets or produce and fruit stands.
- **Sleep Mode & Auto Shutoff** - Prolongs battery life.
- **Full Featured Push Button Tare**

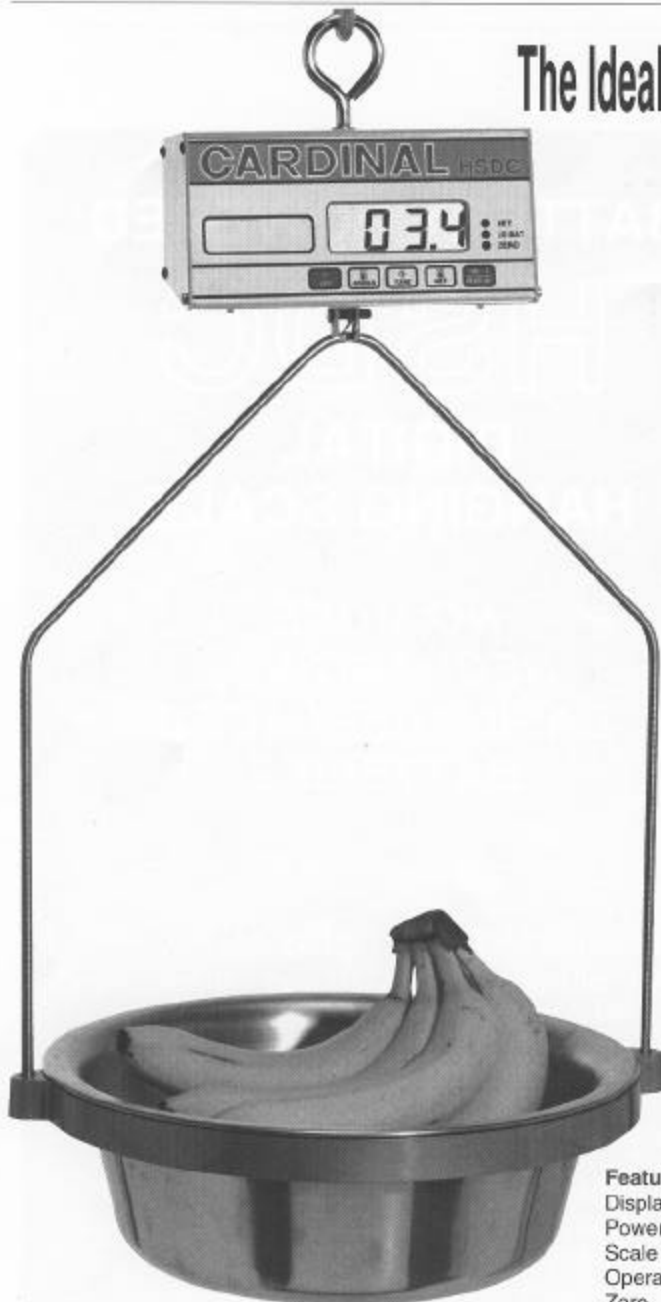

*The Cardinal Series HSDC battery powered electronic hanging scale redefines the meaning of portable weighing. Other portable electronic scales operate on their built-in power sources for short periods of time, then have to be removed from service to have batteries charged. Not so with Cardinal's HSDC hanging scale! With our digital hanging scale, just remove the back cover panel, remove old batteries and replace them with new ones. In 10 minutes or so you're back weighing again. It couldn't be easier!*

Cardinal

**HSDC**

**BATTERY POWERED  
DIGITAL HANGING SCALE**

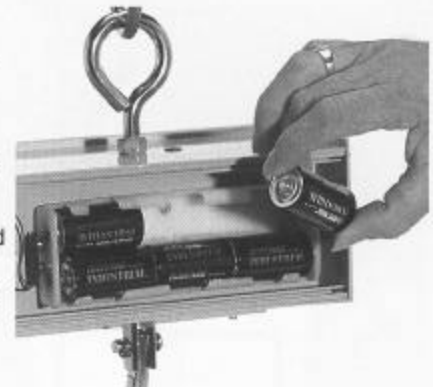

## The Ideal Hanging Scale When You Need Digital Accuracy

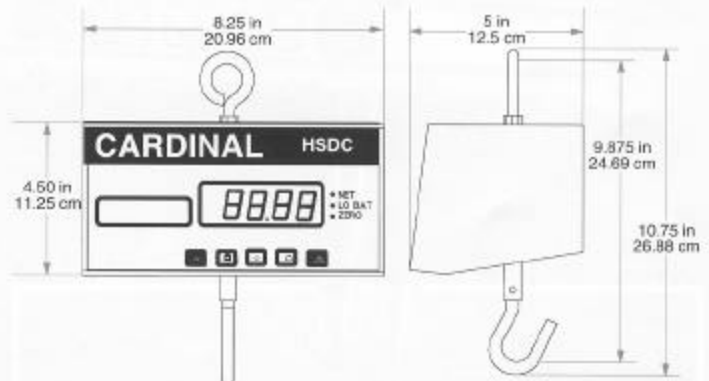

The Cardinal HSDC is a full featured, battery powered hanging scale that incorporates push button tare, a sleep mode, and an auto shutoff mode to prolong battery life. Its aluminum alloy construction makes it lightweight and easy to use, but tough enough to stand up under conditions required on any portable hanging scale. And, it goes where you want it! - *where you need it!*

Whether an industrial application, a curbside or site collection operation for recycling or a supermarket, the HSDC series hanging scale is the true example of accurate portable weighing.

If you have been "hanging" around for a portable scale that goes where you need it, then now's the time to "hook up" with a Cardinal HSDC digital hanging scale!

Batteries can be changed easily in minutes.

Overall height of HSDC with produce pan is 34.75"

### Features and Specifications

Display Type .....	1" high LCD
Power .....	.6 "C" size alkaline
Scale Weight .....	.5 lb (10 lb with optional pan)
Operating Temperature .....	-10° to +40° C/+14° to +104° F
Zero .....	Established during setup and maintained automatically to ± 1/4 graduation
Auto Zero Range .....	.5 and 0 through 9 graduations
Calibration Method .....	Digital, keypad entered; calibration stored in non-volatile memory
Tare .....	Push button, full scale
Annunciators .....	Center of zero, motion, net, low battery, over capacity
Controls .....	On/zero, gross, tare, net, off
Auto Shut Off .....	Power save mode selectable from 1 to 9 minutes
Sample Rate .....	1-12 samples per second, selectable
Optional Stainless Steel Produce Pan .....	12.5" dia x 5" deep; 8 qt (500 cu. in.) volumetric capacity
(available for 20 lb scales only)	

Model	Capacity	Graduation
HSDC-20	20 lb	.01 lb
HSDC-50	50 lb	.02 lb
HSDC-100	100 lb	.05 lb
*HSDC-200	200 lb	0.1 lb
HSDC-500	500 lb	0.2 lb
HSDC-20K	20 kg	.01 kg
HSDC-50K	50 kg	.02 kg
*HSDC-100K	100 kg	.05 kg

\* These scales meet all requirements of Handbook 44, issued by the National Institute of Standards and Technology and has been issued the Certificate of Conformance Number 94-03.
